Family Fed Volunteers Beautify Tampa Waterfront

On September 19, six members of Tampa Family Church joined the Hillsborough River Coastal Riverwalk Cleanup, organized by Friends of the Tampa Riverwalk.

Together with local volunteers, they collected litter along the Riverwalk and helped beautify Tampa's downtown waterfront. The day became an opportunity to meet others who share a love for their community and a desire to make a positive difference.

Members especially enjoyed connecting with young volunteers from Friends of the Tampa Riverwalk, learning more about their work to care for the Tampa Bay area and discussing opportunities to serve together again in the future.

Members especially enjoyed connecting with young volunteers from Friends of the Tampa Riverwalk, learning more about their work to care for the Tampa Bay area and discussing opportunities to serve together again in the future.

The volunteers were also excited to learn that the Tampa project was part of a broader effort to mark the International Day of Peace through service and community connection across North America.

We are grateful for everyone who gave their time and energy to serve, and for the new friendships formed along the way. Through simple acts of service, we can help create stronger communities and a culture of care, cooperation, and peace. 💙
